

REMARKS

Claims 1-3, 5-12, 15, 16, 18, 19, 22-24, 26, and 27 are presently pending and stand rejected. Assignee respectfully requests continued examination.

Claims 4, 13-14, 17, 20, 21 and 25 are cancelled without prejudice. Claims 1, 12, and 22 are amended.

Claims 1, 12, and 22 were rejected under 35 U.S.C. 103(a) as being obvious from the combination of IBM Technical Disclosure #NN8812461 ("IBM") in view of Copeland. Assignee has amended claims 1 and 12 to include, among other limitations, "transmitting said concatenated audio data onto said at least one color components during a blanking interval".

Assignee has reviewed the combination of IBM, Copeland, and XP002202474, and respectfully submits that none teach or fairly suggest "transmitting said concatenated audio data onto said at least one color components during a blanking interval."

Accordingly, Assignee respectfully requests that Examiner withdraw the rejection to claims 1, 12, and 22 as well as to the dependent claims.

For at least the foregoing reasons, each of the claim in this application are allowable and Examiner is requested to pass this case to issuance.

The Commissioner is authorized to charge any necessary fees or credit any overpayment to the Deposit Account of McAndrews, Held & Malloy, Account No. 13-0017.

Dated: October 31, 2007

Respectfully submitted,

Mirut Dalal
